Dear Licensee:

The Department of Liquor Control is concerned about the extent of alcohol beverage use by minors. In our ongoing efforts to prevent alcohol use by underage persons, we recently conducted a compliance check to help determine the extent that licensees are furnishing alcohol beverage products to underage customers.

On November 19, 2015 @ 10:30 a.m., an alcohol beverage sale was made to an underage person at your licensed premises. Our records indicate this is the first violation detected during an alcohol compliance test.

1st Offense - Letter of Warning

This letter is to inform you of the unlawful sale and of the importance of obeying the law and keeping alcohol beverages out of the hands of minors by routinely checking proper identification. Gen. Regulation No .12 of the Liquor Control Laws and Regulations clearly states that it is unlawful to sell alcohol beverages to anyone under the age of twenty-one.

To assist you in maintaining a proper operation in compliance with the Liquor Control Laws and Regulations, we encourage you to contact the Liquor Control Investigator in your area or this office when you have questions concerning this letter or interpretation of the liquor laws and regulations pertaining to your particular license.

If you disagree with any of the statements or information contained in the Investigators report, which resulted in this administrative penalty and suspension, please submit the reasons for disagreement in writing to the Department of Liquor Control for review and decision, no later than ten days after receipt of this letter.

Please sign the enclosed Waiver of Hearing form, and forward it to the Department of Liquor Control within 10 days of receiving this notice.

Mandatory DLC training for the licensee (Owner, Director, Partner or Manager) either online or in person is required within sixty (60) days of this letter. You must submit a copy of your training certificate with your license number indicated on it to the office of Liquor Control to avoid non-compliance with Education Regulation #5, which could result in suspension or revocation of your license.

If you have any questions, please call Angela at our office at 802-828-2339.

Sincerely,

William J. Goggins, Chief
 Education, Licensing & Enforcement
