Hartford CAP Guiding Principals:

Note that the Committee's work is ongoing: the CAC will continue to recruit and invite community members to join the CAT, and continuously evaluate our work in the context of:

- The impact on the 7th generation, the wellbeing of people worldwide, and the health of the planet; and
- Leaving our community and the world better than we found it; and
- Fostering innovation and creativity; and
- Acting in ways that respect the most vulnerable and impacted members of our society.
