**CALL TO ORDER:** 5:10 p.m.

As Ken had suggested, the committee convened at the Town Offices then carpooled to Hartford, Christian Street and Quechee cemeteries to tour the facilities and discuss issues relating to the cemeteries. The committee members discussed available inventory, maintenance needs for stones and facilities in general, and various efforts to obtain mowing services for each of the cemeteries on the tour.

Ken requested that each member come to the next meeting prepared to discuss all of the issues covered in the discussions that evening as they relate to their individual cemeteries.

**ADJOURNED** 7:40 p.m. at Quechee Cemetery.

Respectfully submitted this May 29, 2018.
