Directors Report

For October's meeting Scott gave Parks and Recreation members a tour of the town's parks: Kilowatt north and south, Watson, Veterans, Lyman playground, Lyman Point picnic area and the Barwood hockey arena. Scott discussed various improvement ideas for the town's parks to Commission members. Scott introduced Commission Members to the maintenance staff of the Barwood Hockey arena, Justin and Joe. Tour lasted for approximately 1 ½ to 2 hours and pizza was provided to all those in attendance. Some of the ideas that Scott discussed included: Upgrades to the Lyman Park Playground (playground near municipal building), project to abate Japanese Knot weed along the banks of the White River, making a pathway in the Lyman Point picnic area, replace kiosk in Veterans Park, placement of concrete pad for installation of veteran's memorial statue, improve boat docks at Kilowatt south and north and addressing the grub problem in turf at Watson Park.
