

HARTFORD TOWN FOREST SNOWSHOE

SUNDAY, FEB. 16

9:00-11:00AM

Come explore the northeast 1/3 of the 423-acre Town Forest with Windsor-Orange County Forester A.J. Follensbee & the Hartford Conservation Commission. AJ has been collecting information about the Town Forest and is developing a plan for treatments to increase diversity & resilience, considering climate change while contributing to our recreation enjoyment and wood uses. We will spend time identifying trees, checking out animal signs and discussing forest ecology & stewardship. **Free Event.**

Bring your map & compass, GPS or camera.
Dress for the weather and snow conditions.
Bring water.
