

PAINT RECYCLING MADE *easy*

Paint manufacturers created PaintCare, a nonprofit organization to set up convenient places to recycle leftover paint. There are more than 70 PaintCare sites in Vermont where residents and businesses can take unwanted paint, stain and varnish all year round for free.

THESE SITES ARE IN YOUR COMMUNITY

All PaintCare sites accept at least 5 gallons per visit. Please call ahead to check business hours and ask if they can accept the type and amount of paint you would like to recycle.
