Hi Wade,  
Thanks for coming out for our annual review.  
Can you please expand upon the following items listed in your letter:

-Follow up on injury claim regarding the Zamboni dated February 11, 2019 -Brief discussion with Kim Nardine Brown for purposes of scheduling a review of the various designated employee representative responsibilities under the CMV drug and alcohol random testing program and policy.

Thank you,  
Scott

Greetings:

Attached you will find correspondence from a recent loss control visit to your municipality. You are encouraged to review the letter (and report if attached) thoroughly. If recommendations were made, please be aware that there are suggested correction dates that are based on the severity of the hazard or item identified during the visit. As recommendations are completed, please provide this information to us via this email or directly to your servicing consultant.

As always, feel free to contact your loss control consultant with any questions or if you would like assistance with one or more recommendations.
