Subject: FW: Block Party planning meeting
Attachments: HCC Block Party Poster (5).pdf

Hi All -

I'm hoping just putting out a date might work... if you can NOT make it to this meeting (or just want to help on day-of, etc), please let me know. This year, Sherry Dube is going to take over the planning and organization and we all need to get her up to speed and then chat about any changes we want to make this year.

The Hartford Conservation Commission will be joining us as they will take on the Education and Outreach for the Recycling and Food Waste by providing volunteers at the Block Party. Additionally, they will distribute the water to all those that attend using Compostable Cups and providing the containers with the assistance of Casella Waste Management.

Monday, Feb 27
4-5pm
Town Office building (room TBA)

Block Party date is set (as graduation is LATE this year) - fliers as PDF and PNG are attached.

Thank you for all your work to continue this 8-year tradition!!!!
