

Hurricane Hill 5K-10K Race EAP

Sweep Runners:

2 runner sweeps will be assigned to sweep the 5K and the 10K race. Sweeps will be on the trail and have direct cell phone contact with Race Director Sheila Hastie and Scott Hausler from the Parks & Recreation Department

EMS Access Points:

Map locations identify access points no further than ½ mile outside of any trail within the course, providing direct EMS Access.

Course Workers and Water Stops:

10 course workers will be on the course for the 5K and 10K. Course workers are assigned to trail crossings and 2 water stops. All course workers will have the Race Director's cell phone number and Parks & Recreation cell phone number. All course workers provide cell phone numbers and will be identified on the map prior to the race. Contacts and numbers will be located in two locations. Start/Finish and at the Registration tent located at UVAC. Course worker locations will be assigned EMS Access Points as well as assigned locations the day of the race.

Injury Notification:

All course workers will notify the Race Director of any injury or need for racer assistance. Race Director will notify EMS contact for the day of the race or notify 911 in the event EMS is not available or able to be contacted.

Course Access:

Race day, we will have on site 1 ATV to access trail locations in an emergency event to aid in providing EMS access to any section of the trails.
