Hi Scott,

This is all I have so far for completion of the CPSI course saying that I completed it. Test results may still be a couple of weeks away.

Hi Everyone,

Congratulations on completing the CPSI course!

It was great to meet all of you in person and I hope you all did well on the exam and took home some good learning from the course. The exam results are processed in batches, so you may not have the results for another 2-6 weeks from now. Results will be sent to the emails you provided. Please reach out with any questions or concerns.

For those that need CEU's, please reply to this email and let me know you need them as NRPA would like a list to confirm who from the course wants those added to their NRPA account. Please let me know by Friday, April 14th and then I will send those that need it a CEU form to save with their files.

I want to thank our course instructors again for leading a great course, the Burlington Parks & Recreation & Waterfront department and staff for hosting our course for three days at the Miller Center, and our lunch sponsor – Mike McGuffie with [US Playground Surfacing](mailto:mmcguffie@usplaygroundsurfacing.com) (mmcguffie@usplaygroundsurfacing.com).

Thank you all for taking the time to complete this course to help make our playgrounds safer. Your work is important!

We wish you all a great spring & summer season!
