

Construction Update

BO 1444(60) Hartford

[Hartford Bridge #7 Replacement Project]

DATE: Friday, June 23, 2023

TRAFFIC IMPACT AND DURATION: Monday, June 26 through Friday June 30, between 8 a.m. and 5 p.m., motorists can expect minimal traffic impacts on VT Route 14 (VT 14), the VA Cutoff Road and the south side of the bridge by Mill Road and Old River Road. Flaggers will be on-site along VT 14 to assist motorists through the work zone as needed.

There will be large construction vehicles moving along VT 14. Motorists are advised to travel with caution through the work zone.

CONSTRUCTION ACTIVITIES: Crews will finish filling the second abutment on the north side of the bridge, along VT 14. Crews will begin installing the piles for the first abutment and drilling for pier two.

A 60-day closure of VT 14 between Ferry Crossing Road and Christian Street is scheduled to begin July 5, 2023. During the closure a signed detour route will take vehicles along the VA Cut Off Road, Mill Road, U.S. Route 4/5 and VT 14. Pedestrian and bicycle access will be maintained.

LOCATION: The Hartford BO 1444(60) project is a full bridge replacement and realignment (at Christian Street) of bridge #7 over the White River and Town Highway 98.

PROJECTED COMPLETION: Fall 2025
